

TEEN ADVISORY GROUP (TAG)

MEMBER OF THE MONTH:

MARIAH BROWN

Mariah Brown is hard to miss. This seventh grader at Wilson Middle School is one of TAG's most enthusiastic members.

Mariah's energy is contagious and she brings smiles to people's faces. Her role as emcee at TAG's Valentine's party proved to be a success. She motivated the party-goers to participate in contests and games throughout the night. Even though Mariah is one of the youngest members of TAG, she never backs down from answering a question. She is quick to participate and is first to provide feedback on any given topic. Her ideas are

welcome among both middle and high school members.

A unanimous vote for Mariah as May's TAG Member of the Month confirmed the belief that she does a lot of good for the library, school and town. Thank you, Mariah.

Students ages 12 and up are invited to the library's Teen Advisory Group (TAG) meeting. For more information please contact the Reference Department at 508-647-6521.
